Re: 2000 Long Term Care Cost Report and Instructions on Diskette
Information Regarding the Lotus 5.0 and Excel 97 Versions of the Cost Report

Enclosed you will find a copy of the 2000 cost report and instructions on diskette. For 1999, the majority of nursing homes used the diskette to prepare their cost report. We would appreciate it if you could complete your 2000 cost report using this diskette.

If you choose not to use the diskette, you may print the 2000 cost report form and manually complete the report. If you do not have the ability to print the cost report form and instructions, please contact our office at 217/782-1630 to request a paper copy to be mailed to you.

As is stated on page 1 of the cost report instructions, this report should cover the facility's fiscal year ending in 2000. It is due on September 30, 2000, or ninety days after the close of the facility's fiscal year, **whichever comes later**. Please refer to the instructions for the remainder of the filing requirements.

There are two 2000 cost report files on the disk you have received. One file has been created for use with Lotus 5.0 for Windows. The other file has been created for use with Excel 97. A copy of the 2000 cost report instructions has been included on the diskette also. The name of the file is Instr00. It has been created for use with Word Perfect 6.1. Please use this 2000 diskette. **Printed copies of the report from the 1999 cost report diskette or earlier diskettes will NOT be accepted.**

Each page is on a separate worksheet. The file has been sealed. The cells where data is to be entered have been unprotected. Do not change the cost report form. We must have every form the same. Any changes made to the cost report form will cause us to consider the filed cost report incomplete until the form is correctly filed. Complete page one first. The facility name, IDPH ID# and the report period dates have been linked to each page. (Be sure to enter the IDPH licensed name of the facility.) **When entering data on pages 3 and 4, do not include decimals. Please round to whole numbers. When entering the years on page 12 do not enter various or other text in columns 2 or 3.**

Print macros have been written that will print each individual page or the entire report.

WARNING: Do NOT use drag & drop, cut or move commands. These commands may ruin the file and/or formulas. Then you will have to close the file and start from the last time you saved it.

As you know, save your work frequently to prevent losses of large amounts of information.

The cost report must be printed on 8 ½ by 14 size white paper with an 8 ½ by 14 image on the paper. To ensure an 8 ½ by 14 size image, check the paper size in the Printer Setup. When printing the cost report, be sure the "Selected Range" is checked. If "Current Worksheet" or "All Worksheets" are selected, the printed report will be smaller than it should be. These three selections appear in the Print dialog box. **Please do not reduce the image to 8 ½ by 11. We cannot accept a report with an 8 ½ by 11 image.** After printing the cost report, please review the copy for accuracy and completeness before mailing it to The Office of Health Finance. **Please send in the completed diskette with your paper copy, (being sure to make a copy of the diskette for your records).** Also, please make sure both the completed diskette and the paper copy agree prior to sending to our office.

Notes Applicable only to Lotus users

The entire cost report is in one file named Report00.wk4. A print preview button has been added to the bottom of each page. You may want to preview each page to ensure there are no problems before you print the entire cost report. To preview a page, click this button, then click File-Preview as normal. Also, macros have been written that will allow you to change the column width or row height of a cell or range of cells. **Only use these commands on the extra pages (24 through 33).** The print menu or the other macros menu will appear on the menu bar after you click the macro button. A macro that allows you to "Freeze Both Titles" has been added also. This will be helpful for data entry. **When saving the file in Lotus, please save it as a "WK4" file type instead of a "123" file type. To do this, click File-Save As, and then ensure the file type is "WK4".**

To copy worksheets that you have created into the blank pages at the end of the report, use File-Combine. This will bring in the styles you used in your worksheet (except for the column width and the row height). This does not work if you are using Lotus 97. Extra sheets for pages 6, 8 and 12 have been included in the file. Click the macro buttons on these pages to make them available.

Notes Applicable only to Excel users

The entire cost report is in one file named Report00.xls. In an Excel 97 file that has been sealed, you can press the Tab key to go to the next unprotected cell. By pressing Shift-Tab, you can go to the previous unprotected cell. Extra sheets for pages 6, 8 and 12 have been included in the file. Click Format-Sheet-Unhide to see the sheets available. Also there are some blank unprotected sheets after "Page 23".

If you have any questions concerning the diskette, please call Randy Hulskotter at (217) 782-1630.
